**Luke 4:14-30

"Isn't this Joseph's son?"**

- consider reading "Revelation" by Flannery O'Connor
what of this work resonates with you?
- How was Jesus' sermon a picture of failure?
Of success?
- What was Nazareth?
- What did they expect to hear out of Isaiah 61 from their hometown boy?
What topics might have motivated them?

What was so jarring about what they DID hear?

- v.22 traditional translation vs Dr. Bailey's translation
which makes more sense to you? Why?
- what's with them trying to throw Jesus off a cliff?
- Do you see the irony in the only miracle that Nazareth DOES witness?
- What might a good religious group expect Jesus to be and do?
- Who does Jesus claim to come for?
- Do you expect that, possibly, Jesus might be interested in YOU?
